Northwest AIA

"To serve the community by enhancing the quality of the built environment and promoting the value of excellence in design and planning"

CITATION AWARD

An outstanding example worthy of study. AND THE

GLEN HUNT AWARD

"The Glen Hunt award is to recognize seamless integration between Architecture and Landscape

Project Name: House at Dungeness

Category: Built Residential

Architectural Firm: Ross Chapin Architects AIA

Principal in Charge: Ross Chapin, AIA

Project Designer: Ross Chapin, AIA

Consultants: Four Seasons Engineering, Inc.

Builder: Highlander Construction

Photographers: Christopher Lee & Ross Chapin, AIA

Juror's comments: The project shows strong sensitivity to the site demonstrated by the segregation of the program elements in relation to the site contours, outlooks and light, providing differing views from each element.
